## Chemistry Teacher

(Part time, up to 0.6 FTE)

### Context

INTO establishes long-term joint ventures with some of the UK's leading universities in a unique initiative that improves their competitive position in international markets. INTO Centres deliver pathway courses for international students that lead to undergraduate and postgraduate study. INTO invests in modern teaching and accommodation facilities and has an established global network that recruits students from many cultures. Each Centre is managed by a joint venture management board on which INTO and the partner university are equal shareholders.

### Requirements

We require a well-qualified, enthusiastic and experienced teacher of Chemistry to join our teaching team on the International Foundation programme. Lessons are delivered from our INTO UEA Centre.

You should ideally possess:

- a relevant postgraduate qualification in a relevant subject;
- a teaching qualification and/or teaching experience in an HE, FE or school setting;
- skills and experience to effectively teach students from a variety of countries and cultural backgrounds, with different language and mathematical levels;

The successful applicant will have the ability to teach students from a variety of countries and cultural backgrounds, and with different language levels. This is an exciting opportunity for an enthusiastic teacher looking to teach in international education.

### Salary

**Salary: £27,838 TO £37,665 pro rata per annum, depending on skills, qualifications and experience.**

Applicants seeking a full-time position and able to teach across subject areas are encouraged to apply as roles could potentially be combined to form a full-time post.

### Application Process
