ACHIEVE THE CAREER OF YOUR DREAMS

Manchester Met is dedicated to turning your career ambitions into reality. Thanks to the University's impressive network of industry partners, there are many courses that offer internships and work placements. You can also make use of the extensive Careers Service. Even after you graduate, you'll receive digital careers support for life!

"My internship at Oldham Council during my degree prepared me for the real world of work and gave me the experience I needed in the payroll field to progress even further. My time spent studying at INTO Manchester and then Manchester Met was amazing. I would highly recommend this route to students who want to gain professional experience and get ahead before graduation."

Jyotiben, Kenya

Senior Payroll and Pension Advisor at Lord's (Marylebone Cricket Club) in London

- International Foundation
- BSc (Hons) Business Management

"As long as you apply yourself and you are interested, you can get to whatever you want to do from INTO and from Manchester Met."

Brien, Singapore

Physiotherapist at Bolton Royal Hospital

- International Foundation
- BSc (Hons) Physiotherapy

"Having the opportunity to do an internship year at the Walt Disney Company during my degree definitely gave me a competitive edge. It means I graduated with one year's work experience, which I believe is key in today's market."

Jatin, Kuwait

Quantitative Risk Management at USAA

- International Foundation
- BA (Hons) Accounting and Finance

- MICROSOFT
- NHS
- PWC
- OATAR AIRWAYS

INTO MANCHESTER: BE PART OF THE BUZZ

Welcome to INTO Manchester, your international study centre. The INTO Centre is the heart of student life, a place where you'll get all the support you need from our friendly and experienced staff. You'll find all your essentials here – from quiet study spaces to bustling social areas.

A STUDENT COMMUNITY IN THE CITY

You'll study your pathway programme at INTO Manchester, in the city centre. So, you won't be far from all the world-class student facilities at Manchester Met.

You'll have access to everything from libraries and facilities to sports centres and cafés popular with university students.

94%

student satisfaction for support (INTO Annual Student Experience Survey 2022)

EXPERT STUDENT SUPPORT

From the moment you arrive in Manchester to the day you progress to your degree, you'll benefit from a wide range of tailored support. We'll help you with:

- opening a bank account and registering with a doctor
- visa and immigration support services
- 24/7 security and an out-of-hours emergency helpline
- a fun-filled orientation programme in your first week
- additional support for students under 18

DID YOU KNOW?

The worker bee is the symbol of the city of Manchester – and has been for 150+ years! It represents the hard work ethic of the people of Manchester and that the city is a hive of activity.

"Progression to a university in the UK is made so much easier with the Placements team at INTO Manchester. Steven and Rebecca were a great help and they really went the extra mile to assist me with my UCAS application. You can always drop by the team's office or write them an email and they will be more than willing to help you out with anything in the shortest amount of time."

William, Singapore

- International Foundation
- BSc (Hons) Physiotherapy

YOUR STUDENT ACCOMMODATION

Live and learn as part of a vibrant student community at INTO Manchester in partnership with Manchester Metropolitan University. Choose from a range of accommodation options designed to suit you, with expert support from our on-site team.

ENSUITE STUDENT RESIDENCES

Just a short walk from the INTO Centre, your accommodation has a central location which means you'll be close to many restaurants, cafés and shops.

24/7 staff

INTO CENTRE FACILITIES

- · Modern classrooms with digital whiteboards.
- Well-equipped computing suites.
- A Learning Resource Centre with a wide range of physical and digital materials.
- 24/7 access to our virtual learning environment to download resources.
- · Silent study areas.
- University-style science labs.
- Support team and 24/7 assistance.

SUPPORTING YOU

In all the residences, you'll find staff available 24/7 to offer support, and we'll also provide you with a 24-hour emergency helpline telephone number. If you're under 18 and living in INTO managed accommodation, we offer extra support from residential tutors; as well as checking in on you each day at the student residence where you live.

INTO Manchester students also have access to these Manchester Met facilities:

- On-campus library
- Art and Design studios*
- Sugden Sports Centre
- Campus cafés and restaurants

For students on the Art and Design pathway only

BUSINESS

Choose Manchester Met and you choose the UK's most affordable, elite business school¹. Pick from a diverse range of business-related degrees and make the most of extensive links to local and international companies.

- Manchester Met's Business
 School is triple-accredited,
 placing it in the global top 1%².
- 18th in the UK for Hospitality, Event Management and Tourism³.
- More than 1,000 placement vacancies each year for students to choose from.
- The Business School has links with global organisations such as PwC, Walt Disney, Pfizer and the Rugby League World Cup.

Business School features

- One of the largest business faculties in the UK with 10,000 students.
- Dedicated Student Hubs, Jobs Hub and Careers and Employability service.
- The Business School has been constructed to the highest standards of energy efficiency and sustainable development currently achievable.
- State-of-the-art computer labs and technology suites.

ART AND DESIGN

Create and collaborate at the prestigious Manchester School of Art. Learn from experienced, practicing artists who are specialists in their field. You can also take advantage of the school's well-established links to the wider creative industries in Manchester and globally.

- One of the UK's biggest and oldest art schools.
- Top 20 in the UK for Design and Crafts³.
- Offering a broad range of arts degrees including architecture, art, design, fashion, media and theatre across the Faculty of Arts and Humanities.
- School is housed in the RIBA award-winning Benzie Building.

Art and Design features

- The £35m School of Digital Arts (SODA) features film studios, green screens and music studios.
- The Manchester School of Architecture is ranked 7th in the world⁴.
- 15 specialist workshops, from ceramics to weave and 3D printing to photography.
- On-site materials stores and AV equipment to help you bring your projects to life.
- Specialist IT facilities with industry standard software, including video editing and animation suites.

ENGINEERING

Study engineering at Manchester Met and gain the skills and practical project experience that reflects a career in the industry. From mechanical and electrical engineering to product design and software engineering, you can expect a broad and flexible range of courses.

- An academic partner of The Institution of Engineering and Technology (IET).
- Join one of the largest researchled science and technology educators in the UK.
- 7th in the UK for Electronic and Electrical Engineering³.
- Spend a year in industry with placement opportunities.
- Some of our international graduates have gone on to become 3D CAD designers, crash test engineers, electronic engineers, systems integration and test engineers, and product designers.

Engineering features

- The Manchester Fuel Cell Innovation Centre, offering advanced equipment across seven specialist labs.
- PrintCity a digital manufacturing hub offering eight printing technologies, including 3D printers.
- Opening in 2023, the new Dalton Building for Science and Engineering offers modern laboratories and workshops with world-class equipment such as the 200-capacity Super Lab.
