ACHIEVE YOUR ACADEMIC AMBITIONS

Welcome to INTO University of East Anglia (UEA) – your stepping stone to an internationally-recognised degree from UEA. Our aim is to give international students like you the opportunity to achieve your academic ambitions and study at this top 15 UK university.

INTO UEA is an excellent choice. You will study a specialist programme designed exclusively for international students and specifically tailored to the requirements of the University. We'll help you to advance academically in the British education system, gain key subject knowledge and study skills, and improve your English language skills.

INTO UEA was found to 'exceed expectations for the quality of education' in our latest Independent Schools Inspectorsate (ISI) inspection in 2017. This is the highest grade possible, so you know that with us you will receive an excellent quality of education in a safe environment.

You'll learn in our modern INTO Centre on the beautiful University campus, before confidently progressing to your degree at UEA. The University develops many of its degrees with top employers, so you can be sure that throughout your studies you will develop the skills that matter in the workplace.

Choosing to study abroad is a big decision, but with INTO UEA you can relax knowing that you will have a fantastic experience and graduate with a qualification that transforms your future.

Choose INTOUEA and open up a lifetime of opportunities.
WHY CHOOSE UEA?

UEA has a global reputation for excellent teaching and top-quality research. There’s a vibrant atmosphere on campus which creates a fantastic study and social environment. At UEA, you are an important part of the community – you’ll join more than 3,500 international students from over 100 countries.

TOP UK UNIVERSITY
UEA is a pioneering British university, leading the way in fields as diverse as climate change, international development, food science and much more. Ranked in the top 200 universities in the world (Times Higher Education World University Rankings 2011–2018), UEA is globally recognised as a high performing, research-intensive university that excels in its teaching.

BRILLIANT THINKING
UEA is known for world-class and innovative research. It’s ranked 10th in the UK for quality of research (Research Excellence Framework 2014) and is part of Norwich Research Park – the most cited research centre outside of Cambridge, Oxford and London. Norwich Research Park has won two Nobel Prizes for its research and UEA recently won a third Nobel Prize for literature.

EXPERT TEACHING
Through a mix of lectures, seminars and practical experience, you will develop the analytical, presentation, teamwork and communication skills essential for success. You will combine critical thinking with creative practice, and your lecturers will excite and encourage you to apply what you learn in the classroom to the world around you.

CAREER ASPIRING
UEA degrees are designed and developed with employers, helping to ensure that you graduate with the vital skills that businesses are looking for. Through work experience opportunities, networking events and links with industry, you will have the chance to try out different careers and work environments as you build your professional network. They will even help you set up your own business. With UEA, it isn’t just about getting a degree – it’s about finding a career you will love.

YOUR GUIDE TO CAMPUS LIFE

With distinctive and award-winning architecture, UEA’s campus is a vibrant and inspiring place to live and study. Surrounded by beautiful nature and green parkland, you will find everything you need for an amazing experience right here.

DISTANCE FROM THE INTO CENTRE TO...

Campus: 1 minute walk on campus to cafes, medical centre and launderette; 5 minute walk on campus to bank, post office, campus supermarket and Sportspark

INTO accommodation: 0 minute walk – inside the INTO Centre

The city centre: 30 minute bus ride to the city centre, train station and Norwich cathedral

Norwich International Airport: 15 minute taxi journey

“Often go for a walk around the beautiful campus with my friends in my free time. We spend time near the lake and have taken many pictures of the amazing sunsets.”

CHANGING, CHINA

GRADUATED WITH MSC INTERNATIONAL ACCOUNTING AND FINANCIAL MANAGEMENT FROM UEA

CAMPUS FACILITIES

You will find all the social and study facilities you need on campus, all just a short walk away.

- Study at any time in the 24/7 library. Book an individual room for independent study, or a group study room to work with classmates.
- The Sportspark, one of the UK’s best sports facilities, has an Olympic-sized swimming pool, five sports halls and floodlit football pitches.
- The Sainsbury Centre for Visual Arts is a major centre for the study and exhibition of art. The campus showcases a range of exhibitions, gallery talks, lectures and art workshops.
- The Street is where you will find all the other facilities you need on campus, such as a bank, cafes, restaurants, shops and a post office.

TOP SPECIALIST FACILITIES

UEA has some amazing subject-specific facilities available which, depending on your degree, you may access. This includes:

- Industry-standard film and TV studio
- EEG, Transcranial Magnetic Stimulation, Functional Near-Infrared Spectroscopy, motion tracking and eye tracking labs
- Computer graphics labs
- Apple Mac labs with Macs and iPads
- Mock pharmacy dispensary and science labs
- Virtual reality theatre
- Anatomy suite and treatment labs
- Norwich Electronic Assistive Technology (NEAT) centre – a unique interactive showcase for the latest in Assistive Technology

GET INVOLVED

There’s more to campus life than just studying. You will take part in an orientation programme in your first week which will give you the chance to meet other students. Parties, day trips and excursions organised by the Student Services team will keep you busy the rest of the year.

At the heart of the campus, Union House is always buzzing with activity. Here, you will find a range of facilities run by the Students’ Union, including a cafe, a shop and The LCR – a live music venue that hosts over 60 gigs a year.

The Students’ Union also offers more than 200 clubs and societies, including debating, drama, anime, music, entrepreneurship, football, law and photography. Whether you already have a passion or want to pursue something new, there are many opportunities to learn skills and make friends.

TOP 15 IN THE UK FOR CLUBS AND SOCIETIES

(Times Higher Education Student Experience Survey 2018)
Lively, vibrant and affordable, Norwich is an exciting city with a rich history. Located between picturesque coastal landscape and the open countryside of the Norfolk Broads, Norwich is one of the UK’s safest cities.

**SHoppers’ Paradise**
With a central shopping area and two shopping malls, you’ll find all the best high street brands. For something a bit different, explore the Norwich Lanes – home to creative independent retailers – or Norwich Market, the UK’s largest open-air market where you can buy everything from vintage clothes to Asian speciality foods.

**BuzZing City**
The Forum is the city’s unique community building that’s open all year round. Here, you can enjoy free learning and cultural activities, exhibitions and festivals – there’s always something going on! Plus, at Riverside Entertainment, you will find lots of choices all in one place. Get active at the trampoline park, compete at the bowling alley, or watch the latest film at the cinema followed by dinner and drinks at one of the many restaurants and bars.

**Varied nightlife**
Norwich is a fantastic place for a night out, with stylish cafe bars, pubs, cinemas, theatres, restaurants, nightclubs and concerts. The theatres here, including the Theatre Royal and Norwich Playhouse, have a diverse programme of events all year round and The Waterfront, run by the Students’ Union, is UEA students’ favourite city centre venue for live music.

**AN Active City**
Make the most of living by the water and get involved in the Norwich Rowing Club, or try sailing, windsurfing and kayaking at Whitlingham Country Park. If you want to stay on dry land, you could even try skiing or snowboarding on the dry ski slope at Norfolk Snowsports Club.

**Explore the UK and beyond**
Norwich has its own international airport, with regular flights to Amsterdam, Manchester and Edinburgh. You can also take the train to a wide variety of exciting places across the UK.

**Day Tripping from Norwich**
- Cromer: A traditional seaside fishing town, famed for its tasty Cromer crab. 1 hour by train
- Cambridge: A historical city known for its green spaces, punting and magnificent architecture. 1 hour 20 minutes by train
- London: One of the world’s best cities, famous for its history and culture. Under 2 hours by train

**Explore Norwich:**

98% student satisfaction for feeling safe and secure
(INTO Annual Student Experience Survey 2018)

**Your modern on-campus accommodation means that you will quickly become part of UEA’s friendly and welcoming student community. With homestay accommodation available as an alternative option, it’s easy for you to find the perfect place to stay.**

**Into Student Residences**
If you would like to live on campus, the INTO student residence is in the same building as the INTO Centre – you are perfectly located for getting to your lessons quickly and easily! You will have a private study bedroom and share a kitchen and living spaces with other INTO students. You can even choose to book your accommodation with a meal plan option and have two meals cooked for you in the popular on-site restaurant each day.

**Homestay**
This is a unique opportunity to experience British life and culture first-hand. You will have a private room in a carefully selected host’s home, sharing mealtimes and living spaces.

**Supporting you**
In the residence, you will find on-site staff available 24/7 to offer support and ensure your experience is a positive and happy one. If you are under the age of 18 you will live on a corridor with additional entry access security and receive extra support from welfare officers.

**Take a Virtual Tour of the Campus, City and our Accommodation:**

International Foundation

Business, Economics, Society and Culture - FBS

- Demonstrate your entrepreneurial talent by making real profits with real money, using a business idea.
- Research and take part in lively debates about topics of national interest, such as election results and immigration.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:
- Academic English and Study Skills (40 credits)
- Economics (10 credits)
- Foundation Mathematics (20 credits)
- Introduction to Business (10 credits)
- Professional and Communication Skills (20 credits)
- Society and Culture (20 credits)

Progress to 40+ degrees. Find out more online at www.intostudy.com/uea/FBS

Humansities and Law - FHUM

- Work with case studies to enhance your theoretical learning; benefit from practical learning like experiencing a British courtroom in session.
- Develop a global outlook by analysing current international relations and development in countries such as India and China.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:
- Academic English and Study Skills (40 credits)
- Foundation Mathematics (20 credits)
- International and Development Studies (20 credits)
- Law (20 credits)
- Society and Culture (20 credits)

Progress to 40+ degrees. Find out more online at www.intostudy.com/uea/FHUM

Mathematics and Actuarial Sciences - FMAT

- Develop problem-solving skills and use maths to solve real problems.
- Collect your own data and put your data analysis skills into practice through practical classes, trips and an independent research project.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:
- Academic English and Study Skills (30 credits)
- Economics (10 credits)
- Introduction to Accounting (15 credits)
- Mathematics (30 credits)
- Physics (20 credits)
- Problem Solving for Mathematical Sciences (15 credits)

Progress to 40+ degrees. Find out more online at www.intostudy.com/uea/FMAM

Pharmacy, Health and Life Sciences - FPB

- Develop your practical skills in labs; gain hands-on experience.
- Learn from a range of guest speakers, including university academics, health practitioners and patients.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:
- Academic English and Study Skills (30 credits)
- Biology and Human Physiology (30 credits)
- Further Chemistry (10 credits)
- Introduction to Pharmacy Skills (15 credits)
- Numerical and Analytical Skills (20 credits)
- Preparation for Health and Life Sciences (15 credits)
- Problem Solving for Mathematical Sciences (15 credits)

Progress to 35+ degrees. Find out more online at www.intostudy.com/uea/FPB

Physical Sciences and Engineering - FPS

- Gain hands-on experience through lab practicals, trips and fieldwork.
- Learn project planning and team management skills to help you lead in group projects, such as building and programming LEGO robots.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:
- Core modules:
  - Academic English and Study Skills (30 credits)
  - Foundation Chemistry (15 credits)
  - Mathematics (30 credits)
  - Physics (20 credits)
- Specialist modules:
  - Applied Physics (20 credits)
  - Further Chemistry (10 credits)
  - Introduction to Pharmacy Skills (Pharmacy applicants only) (15 credits)
  - Problem Solving for Mathematical Sciences (15 credits)

**Academic English**

- Intensive course offering rapid progress of up to the equivalent of one IELTS band per term.
- Blend of traditional face-to-face contact and online learning.

**Course features**

- Improve your reading, writing, speaking and listening skills, and learn to communicate effectively in English.
- Grow your vocabulary through discussions on current affairs and study real-world subjects to make your learning come alive.
- Develop the fluency and confidence needed to progress to further study.
- Gain the skills and knowledge needed for examination success.
- A blended learning approach offers you the best of traditional classroom teaching combined with online content, which you will access both in and outside class.
- 24/7 access to MyINTO INTO’s interactive online learning platform. It gives you the flexibility to study at times that suit you and engage with other students outside of class.
- A standardised online assessment developed in partnership with Cambridge English used to monitor progress throughout your course.
- Develop your confidence and fluency outside of the classroom through a range of less formal learning opportunities, including a diverse social programme.
- Improve your language skills pre-arrival with free access to INTO’s Get Ready for English programme.

**Pre-sessional English**

- A course designed to improve your English language skills to the level required by your chosen degree.
- Intensive language and study skills taught by experienced teachers will prepare you for living and studying at the University of East Anglia.
- Learn how to give presentations on different areas of academic interest and enhance your vocabulary related to your degree.

**Course features**

- If you are academically qualified, hold an offer from the University of East Anglia and need to improve your English language level, this course is ideal for you.
- Learn alongside students who will be studying the same – or similar – subjects at the University, with teaching and assessments that are tailored to the requirements of university study.
- Understand contextual study skills, acclimatise to British culture and adjust to the demands, challenges and expectations of UK higher education.

**Successful INTO UEA alumni**

We have an excellent success rate, giving you a great chance to progress to the next stage of your journey. Our latest progression results demonstrate just how well our students achieve on their INTO programme...

"My fabulous memories are from UEA – it’s unforgettable. I advise anyone who wants to be a success in life to start with INTO UEA."  
Adilson, Iraq
Completed Pre-sessional English at INTO UEA and progressed to MSc Advanced Organic Chemistry at UEA. Now studying a PhD in Chemistry at Auckland University.

"Having a UK education can expose you to new ideas that you probably won’t come across if you study in your home country. This can help when you’re looking for work because you can apply all the new ideas you’ve learnt."  
Omosowu, Nigeria
Graduated with MA Public Policy and Public Management from UEA and now working as a Research Assistant at The African Leadership Centre, King’s College London.

"Studying at INTO prepared me for what I had to do in my second and third year at UEA. In terms of my career, I feel that studying in the UK is definitely a benefit because the education in the UK is considered one of the best in the world."  
Natalia, Mozambique
Graduated with BSc (Hons) Economics from UEA and now working as a Tax Department Intern at Ernst & Young in Mozambique.

"INTO was beneficial to me in the sense that I’d already been taught some of the topics I did in my first year of university. The fact that the topics were familiar gave me confidence and a very good foundation for my Law degree."  
Eneoma, Nigeria
Graduated with LLB (Hons) from UEA and now a qualified Barrister and Solicitor of the Supreme Court of Nigeria.

Omosowu, Nigeria
Graduated with MA Public Policy and Public Management from UEA and now working as a Research Assistant at The African Leadership Centre, King’s College London.

"Studying at INTO prepared me for what I had to do in my second and third year at UEA. In terms of my career, I feel that studying in the UK is definitely a benefit because the education in the UK is considered one of the best in the world."  
Natalia, Mozambique
Graduated with BSc (Hons) Economics from UEA and now working as a Tax Department Intern at Ernst & Young in Mozambique.

"INTO was beneficial to me in the sense that I’d already been taught some of the topics I did in my first year of university. The fact that the topics were familiar gave me confidence and a very good foundation for my Law degree."  
Eneoma, Nigeria
Graduated with LLB (Hons) from UEA and now a qualified Barrister and Solicitor of the Supreme Court of Nigeria.

"Having a UK education can expose you to new ideas that you probably won’t come across if you study in your home country. This can help when you’re looking for work because you can apply all the new ideas you’ve learnt."  
Omosowu, Nigeria
Graduated with MA Public Policy and Public Management from UEA and now working as a Research Assistant at The African Leadership Centre, King’s College London.

Please note: English level and academic progression requirements are correct at the time of going to print. In some circumstances, these may change throughout the year – please consult our university prospectus for the most up-to-date information. Progression requirements, including English level and final grade, may be higher for degrees with a year in industry, a year abroad/overseas experience, and with an integrated Masters.

* Degree currently under review – may be changed to BA (Hons).
Dates and prices

The cost of your programme may vary depending on factors including the pathway chosen and programme length. The following guide to costs is based on a typical 3-term programme to show the estimated cost of attendance. For specific cost information, please refer online: www.intostudy.com/uea/courses

Prices shown are for the current academic year 01 September 2018-31 August 2019 and are for indicative purposes only. All prices are subject to an increase of up to 4%.

* The International Year One in Psychology and International Year One in International Development with Media finishes on Fri 12 June 2020 to coincide with UEA exam dates.
† The price will depend on your start date and length of study. Prices shown are only for one term. Vacation weeks in between terms are extra and will be charged at the weekly accommodation price.
‡ The Newton Programme accommodation prices are based on provisional dates for Year 2 and current accommodation costs. Students will be invoiced separately for their accommodation in Year 2 once they have arrived in the Centre.
