Context

INTO University Partnerships is an independent organisation committed to expanding higher education and career opportunities for students across the globe.

We believe in the power of education to transform lives. We believe that movement of students leads to movement of ideas, which in turn creates better and more successful societies.

We connect students seeking quality international education with leading universities worldwide aspiring to widen their global reach and impact. Achieving the best learning experience and career prospects for students is central to our mission.

Since our inception in 2005, INTO has pioneered innovation in international education and created groundbreaking partnerships with 30 universities in the US and UK. We have so far helped more than 130,000 students from 190 countries realise their dream of achieving a degree from a world-class university. We also equip students to get a head start in building a career. We do this by offering exceptional academic and employability skills programmes.

We are active in over 120 countries and provide unrivalled personalised service to international students with more than 1,500 experienced staff worldwide and a global network of 2,000 recruitment partners.
