Teacher of Architecture

Permanent / Full-Time and/or Part-Time (0.6 – 1.0 FTE)

Programme: Architecture

Pathways: International Foundation
International Year One
International Graduate Diploma

Context

Through innovative partnerships with leading universities we expand opportunities for higher education, ensuring success and transforming the lives of our students and staff.

INTO is an organisation working in partnership with leading UK and US universities and investing in the development of world-class student study centres. It specialises in preparing international students for undergraduate and postgraduate study with both academic and English language support. The courses at our Centres, upon successful completion, guarantee progression to leading UK and US undergraduate and postgraduate courses as well as stand-alone English language courses.

Our website <http://www.intoglobal.com/> has details of how we are organised and our outstanding achievements so far

Requirements

To address demand and to grow our competencies within our teaching team we offer a part-time or fulltime post for a Teacher of Architecture. The post covers the whole range of pathways on the architecture programme: Foundation (preparation course for UG), International Year One (UG, 1st year in Architecture) and Graduate Diploma (pre-master)

The successful candidate should have:

- a relevant graduate or post-graduate qualification in architecture
- a relevant teaching qualification and/or teaching experience in further or higher education
- at least two years practical work experience in an architectural practice
- an ability to contribute to all levels and subject areas of teaching: architectural design, architectural history and theory, architectural technology and architectural communication

- skills and experience to effectively teach international students
- a desire and the flexibility to contribute to a successful educational establishment specialised for international students
- very good architecture related practical skills and theoretical knowledge
- very good teamworking skills
- very good Photoshop and CAD skills and the ability to setup relevant workshops
- experience and understanding in University requirements for studies in Architecture

Successful candidates must also be able to demonstrate a wider range of work-based competencies, in line with the core requirements across the INTO University Partnerships network. These include; communication, role and performance, solution and ideas and customer/student focus.

Salary

Pay Band	D
Pay Band Salary Range	£27,838 to £37,665

Closing date: 12:00 midnight Wednesday 1st December 2021

Safeguarding

As part of our Safeguarding procedures, applicants are asked to note that:

- references will be followed up;
- all gaps in CVs must be explained satisfactorily;
- proof of identity and (where applicable) qualifications will be required;
- reference requests will ask specifically whether there is any reason that they should not be engaged in situations where they have responsibility for, or substantial access to, persons under 18;
- appropriate suitability checks will be required prior to confirmation of appointment.

INTO is an equal opportunities employer.

INTO is committed to safeguarding and promoting the welfare of young people, and child protection screening will apply.
