U.S. News & World Report 2023

Brijesh, India
MS in Computer Science

After coming to OSU from Mumbai, Brijesh took advantage of the many resources available to him, gaining valuable experience that would help him succeed after graduation.

- Completed the Graduate Pathway program, scoring an A in all subjects
- Began his program and was hired by a professor as a research assistant
- Started working as a teaching assistant, fully funded with salary and insurance
- Joined OSU's Leadership Academy to visit top companies and network with other engineers
- Graduated and started at Pacific Source as an Associate Software Developer

“Getting practical knowledge is important here. In India, it's more theoretical. You take a book, and if you score well in an exam, it's a success. But in interviews, they never asked me about my scores; they asked me about my projects and things that I did. They care about your résumé.”

The West Coast's MOST VALUABLE

CAREERS

The world's best companies want the US top graduates. That's why industry leaders like Tesla, INTEL and Nvidia recruit directly through OSU.

100% of international undergraduate students get career support and résumé development opportunities

University Data 2022

INDONESIA

Vania, BS in Chemical Engineering
Global material quality intern at Genentech

"I recently accepted an internship with a biopharmaceutical company's Global Supplier Quality Team based in California for the next year, starting this summer. I'm really excited to explore my passion in biotech in a department where I can meet people from across many disciplines and cultures!"

SAUDI ARABIA

Gufran, BS in Industrial Engineering
Lead project management specialist at Baker Hughes

"When I first came to the United States, I didn't want to just graduate with a degree. I wanted to graduate with an experience. After my experience at Oregon State University and after being part of INTO OSU, I've accomplished my goal."

TAIWAN

Han-Ting, MS in Electrical and Computer Engineering
Field service engineer for SeqGen

"During the pandemic, many labs experienced a shortage of human resources and COVID-19 detection analyzers, the real-time PCR machine. Our company not only provides the machine from refurbishment, but also the method of automating the testing process."

Internships driven by industry

Get hands-on experience with top companies with the support of our Career Development Center. Engineering, technology and business students can also join MECOP, a prestigious paid internship program exclusive to Oregon. Students in MECOP are placed in two six-month-long internships with different affiliated companies, where they earn between **\$40,000 and \$50,000 as a student.**

Student spotlight

Alisha – Kazakhstan
BS in Civil Engineering, BS in Sustainability

Through her internship with the prestigious MECOP program, Alisha:

- Connected with professionals
- Earned the salary of a full-time professional
- Worked with top companies in the Pacific Northwest
- Got hands-on workplace experience

"Working with a company and solving real-world problems is just something different. You will never be able to mimic this environment in a classroom."

Career-building projects

Senior engineering students learn to apply their knowledge practically through a three-term course and dedicated mentoring from experienced professionals. The course culminates with creating a final project presented to the public and industry representatives.

Research and innovation that translates into investments and inventions. OSU invests in student-led startups, helping them build companies, patent inventions and connect with world leaders in industry.

Local research with global outcomes

"The physics of ocean processes can be studied here, but applied elsewhere in the world. There is no difference in the physics, so the process that we study gives us the opportunity to work with anyone in the world."

Pedro Lomónaco, PhD, OSU civil & construction engineering director

The West Coast's MOST VALUABLE

UNDERGRADUATE DEGREE

At OSU, we want you to make the most of your degree. That means getting one-on-one support from the moment you apply to after you graduate. We will help you customize your degree to gain experience, excel in the classroom and stand out when you start your career.

Pre-arrival support

- Accelerated application processing
- Streamlined application without SAT, ACT, or personal essays
- Priority registration to get you the best-fit classes and schedule
- One-on-one support to answer questions and prepare you for travel

On-campus support

- Advisors available every day of the term to help with academic questions
- Trips, activities, health and wellness care, and housing support
- Additional tutoring tailored for international students

Internships and Optional Practice Training (OPT)

- Customizable internships for every major, so you can gain work experience, make industry connections and begin your career with confidence
- One-on-one OPT advisors that work with you to secure employment in the US after graduation
- 70+ STEM programs with a 2-year OPT extension
- Professional clubs that compete nationally for awards and accolades to help you build your résumé
- Thousands of opportunities to join OSU professors' field-leading research teams

Living in OREGON

Expand your horizons in Corvallis

- Free tickets to Division I sporting events
- Free public transportation
- Bike friendly
- Vibrant downtown
- Consistently ranked as one of the top college towns in the US

Experience Oregon

- No sales tax
- Filled with mountains, hiking trails, forests and rivers
- Silicon Forest: home to high-tech companies
- Portland, Oregon listed as one of *Time Magazine's* 2022 World's Greatest Places

Explore the OSU-Cascades campus

- Additional campus in Bend, OR, a nationally recognized technology and recreation hub for the US
- 30+ undergraduate degrees, minors and options, including two campus-specific majors and specialized internship opportunities
- 100% job placement for computer science graduates

Travel times by car from Corvallis

- 45 minutes to the Pacific Ocean
- 90 minutes to Portland
- 5 minutes to HP Research Campus

Housing and dining

Living in the heart of Corvallis

Living on campus gives you convenient access to classes, the library, dining halls and the recreation center, while living among American students in a diverse and welcoming community. All on-campus housing options include a meal plan.

Living-Learning Communities

Living-Learning Communities (LLCs) are academic programs that partner with residential communities on campus. In addition to living among students in the same major, college, academic focus or program, we hold events in your community that are related to your area of interest.

Living on campus

Live-on requirement: All first-year undergraduate students who enroll at OSU within one year of high school graduation must live on campus. Students more than one year past high school graduation are not required to live on campus but may choose to do so.

For more information on this policy, including available exemptions, visit studentlife.oregonstate.edu/first-year-experience-live-policy

Living on Campus

Student type	REQUIRED	NOT REQUIRED

Master of Engineering (MEng)

OSU offers nine coursework-only MEng programs, a project-based degrees for students excited to apply their degrees to careers in the private sector.

- Work with corporate partners to solve their real-world problems
- Research and develop ground-breaking technology and global solutions
- Graduate in 1.5 years and land a job with top companies
- Apply for the STEM OPT extension and continue your career in the US

The West Coast's most valuable ENGINEERING DEGREE

engineering.oregonstate.edu/future-students/graduate

Electrical and computer engineering

- Choose your focus area, including computer systems and networking, energy systems and robotics
- Find solutions to real-world problems and participate in research projects for industry and government
- Take part in one of nation's top robotics program and stay on the cutting edge of research at the Collaborative Robotics and Intelligent Systems Institute

Robotic mobility

Imagine if robots had legs and could walk on the same terrain as people. Agility Robotics, a company first developed at OSU, is leading the world in developing bipedal robots. Advanced mobility could change the future by enabling shipping to be more automated and opening up new possibilities in manufacturing, production and rescue services.

U.S. News & World Report 2022 rankings:

#47 Industrial Engineering

#50 Civil Engineering

#60 Electrical/Electronic/Communications Engineering

#63 Computer Science

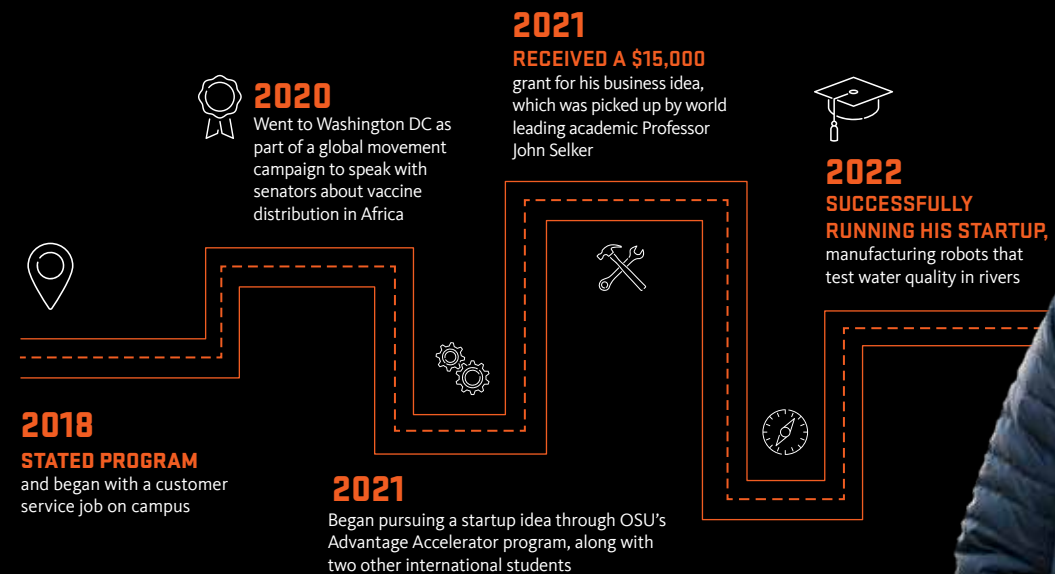

#73 Best Engineering Schools

Student spotlight:

Nikhil – India and Kenya

Mechanical and manufacturing engineering double major Class of 2022

"The facilities at OSU have helped me get hands on experience with a lot of machines such as lathes, mills, 3D printers, laser cutters. And my involvement in the current job I have as a mechanical engineer has helped me develop the practical skills I learned in class."

West Coast career connections

Computer science

- Get your degree in one of the fastest growing fields
- Specialize in a variety of different paths – analyze medical data, create robots, craft AI, mine web traffic, combat cybercrime and much more
- OSU produces more computer science graduates than any other university in the US, which means more specialization, better industry connections and international recognition

Business analytics

- Prepare to join a rapidly growing, data-driven field
- Study digital marketing, human resources, international business and market research
- Learn through hands-on experience and graduate with strong technical skills

"I got a full-time offering in a Big Four company with a decent salary, and I think that's going to support me a lot. I start strong and now I can end strong at OSU."

Snowy, Vietnam
BS in Accounting

Academic Programs

Find your degree. With a wide range of subject areas and admissions options, you can find the perfect degree for your chosen career. You can choose to apply for direct entry to the university or for a Pathway program that provides extra academic, language and cultural support. From the day you apply to the day you graduate, we are here to help you succeed every step of the way. Flip to the back cover to learn how to apply.

B = Bachelor's M = Master's D = Doctorate  Indicates degree programs also available at OSU-Cascades  Indicates an OSU degree program is available

GP Indicates a Graduate Pathway program can lead to this degree. This degree is available though direct admission.  Designated STEM degree by the U.S. Department of Homeland Security

MID Master's International Direct provides customized support to direct entry students.

International Year One

Indicates the undergraduate Pathway program that should be taken to progress to an undergraduate academic program. This program is also available through direct admission.

www.intostudy.com/osu/programs

Undergraduate Admissions

We offer several routes to admission. With more than 200 bachelor’s degrees, flexible study plans and start dates throughout the year, we will help you find the option that is right for you.

There is no need to stress about where you start; just focus on where you’re going. We don’t design our programs for one type of student; our programs are built for everyone. Where you begin depends on your grades and English level. Where you end up is where you want to be: graduating with a bachelor’s degree from Oregon State University.

Undergraduate first-year students (UG first-year): OSU offers entry to all 200+ undergraduate degrees and provides the support and services international students need to be successful in their first year. This means you are issued degree-seeking I-20s and receive the highest level of services including pre-arrival support, 24/7 airport pickup, priority class registration and schedule customization, and international-student specific tutoring. For more information, visit admissions.oregonstate.edu/international/programs/undergraduate-degree-programs/first-year-freshman

International Year One (IYO): International Year One allows you to begin earning credits toward your degree even if you do not meet the academic and English requirements for undergraduate entry. You will receive additional academic, English language and cultural support to help you successfully complete your first year and graduate in the same amount of time as students entering the first-year of the OSU undergraduate degree directly. For more information, visit www.intostudy.com/osu/programs

Academic English Language Program: If you do not meet the undergraduate language requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to International Year One or enter your degree program directly. Learn more on page 20.

Entry Requirements			
ENTRY ROUTE	UG first-year	IYO	
		3-TERM	4-TERM
Requirements*	High school diploma	High school diploma	
Minimum GPA Equivalent	3.0	2.5	2.5
TOEFL iBT	70	60	50
IELTS	6.0	5.5	5.0
Duolingo	100	90	75
Academic English	Level 5	Level 4	Level 3

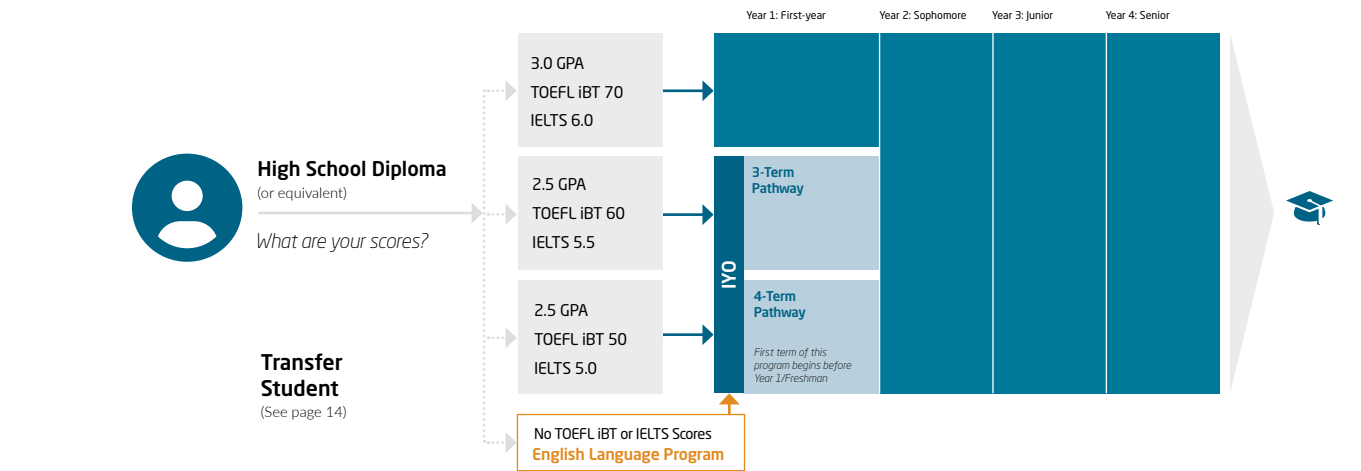

Entry requirements are subject to change and may vary by program.		*No SAT required for admissions.
Institutional Code	TOEFL: 4586	

Dates		
Entry route	UG first-year and IYO	
Start Dates	Fall 2023: Sep 20, 2023 Winter 2024: Jan 3, 2024	Spring 2024: Mar 26, 2024 Summer 2024: Jun 18, 2024

High performing students with GPAs over 3.75 are invited to join the Honors College. Graduates from the Honors College will earn OSU's most prestigious undergraduate degree, the Honors Baccalaureate degree. For more information, visit: <https://honors.oregonstate.edu>

The Honors College (HC) is a small degree-granting college at Oregon State University. There are approximately 1,600 students enrolled working toward an Honors Baccalaureate degree in their academic major. The HC offers small classes, a residence hall option, student learning centers and personal advising with the research and involvement opportunities of OSU.

| **Progression Requirements** - 2.25 GPA cumulative in the Pathway program - No Satisfactory/Unsatisfactory (S/U) graded courses in OSU academic course work - Grade of C- or better in English Composition (WR 121), Math (MTH 111 or higher) and Communication (COMM 111) - Minimum number of credits earned during Pathway program **Notes** All International Year One programs have an advanced version with fewer language and study skills classes for students with higher levels of English on entry. MTH: Math Course - Variable Level; Specific course is determined by results of Math placement test and requirements for the major field of study. COMM 111 Public Speaking; COMM 111 is delivered through the Department of Communication but are INTO OSU student-only sections. **Term 4 (Recommended)** During the fourth term students will complete the additional classes to ensure that they are well-prepared for their second year at OSU. It is recommended that all students, especially those in sciences and engineering, plan to study for four consecutive terms. These courses are generally delivered through the INTO OSU Center and are for Pathway students only. | | |

Undergraduate Transfer Program

Have you earned credits from another college or university and want to transfer to a US university? You can transfer directly into Oregon State University or choose our Undergraduate Transfer Program (UTP), which is specifically designed to support international students through the process of transferring.

Why Choose UTP?

Choosing UTP provides a customized path to your bachelor's degree. Before your program starts, Oregon State University will provide you with an estimate of credits that will transfer to the university. Once you arrive on campus, our friendly staff will be available to help you transition into life at a US university. You will also have access to helpful resources, including academic, English language and cultural support. If you do not meet the English language entry requirements for the UTP, you can enter our Academic English program before progressing to either the UTP or direct transfer to Oregon State University.

UTP Benefits:

- Transfer of credits from your college or university-level classes
- Receive customized curriculum of university credit-bearing courses
- Quick turnaround time for offer (5-7 business days)
- Unofficial Pre-arrival Credit Evaluation (15 additional business days after receiving offer letter)
- Guaranteed progression to any undergraduate program upon successful completion of your UTP
- Academic advising throughout the program, including progression and student success advisors

Graduate Admissions

OSU offers more than 100 graduate programs, many of which are ranked among the top in the nation. There are several different paths to begin earning your degree.

How you start your program depends on your academic profile and your English level. How you finish your program is exactly how you pictured: graduating with a master's or PhD from OSU.

Direct Entry: If you meet the academic and English language requirements for your degree program, you can apply directly to OSU.

To apply, you may need the following required documents: declarations, university transcripts, proof of degree, accounting of time, passport and English test score. An application fee may also apply.

The graduate admissions process is competitive, and an extensive review of your application will be done. Please expect a longer turnaround for an admissions decision. For more information, visit gradschool.oregonstate.edu/admissions/after-you-apply

Master's International Direct: Our Master's International Direct route gives you direct access into your degree program with additional support in the first term. The admissions process is non-competitive, has no application fees and does not require additional test scores. More information on the following pages.

Graduate Pathway: Our Graduate Pathways allow you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. The program will help build the academic foundation and essential English language skills you need to succeed in your master's degree. View program-specific entry requirements at www.intostudy.com/osu/programs

Academic English Language Program: If you do not meet the direct or Graduate Pathway program entry language requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to a Graduate Pathway program or enter your degree program directly. Learn more on page 20.

The INTO Oregon State University advantage

INTO OSU is one of the oldest and most integrated programs of its type in the US. OSU's commitment to international education is evident in the purpose-built, five-story International Living-Learning Center. The center is a vibrant global hub of student life and educational activity which also houses the INTO OSU Center.

- INTO OSU provides services such as:
- Personalized academic, language and cultural support
 - Targeted tutoring and self-study learning support resources
 - Your own academic success and personal advisor
 - Comprehensive orientation with free airport pickup
 - English Conversation Partner Program
 - Social events and trips around Oregon
 - 100+ INTO OSU and OSU staff and teachers to support students

INTO OSU success

Undergraduate and Graduate Progression Rate 2020-2021

86% of students successfully completed the pathway program and qualified for admission as degree-seeking students. Of those students, 96% enrolled at Oregon State University.

International academic advising

From the day you confirm, your advisors will support you with early registration, making sure you have access to the course options to achieve your personal goals. They will work closely with you throughout your first term to help you adapt to a new educational environment and keep you on track for an on-time graduation.

Comprehensive international support

From your first days, we provide pre-arrival advice, arrival support and acclimation orientations after arrival. Once you're on campus, the support doesn't end. You will have access to cultural assistance and community-building experiences to help you integrate on campus and build connections with friends and faculty.

Graduate Pathway Programs

*Estimated credits remaining after Pathway/Total credit hours needed to complete degree.

Academic English

Our Academic English program prepares you for a university degree by improving your English language skills and providing you with the academic tools you need to succeed. Students like you will learn English in and out the of the classroom and you will be taught by our qualified and experienced faculty. You will have opportunities to practice your English with native speakers during your everyday life. On top of that, you will receive customized support for international students to help you transition to life at a US university.

What You Will Learn

- Understand US values in an academic setting
- Present spoken and written ideas accurately and effectively in English
- Write research papers with proper use of citations and references
- Read, understand and critically evaluate academic texts
- Understand and use vocabulary common to academic disciplines
- Take useful and accurate notes in academic lectures and presentations

Estimated Academic English Level Based on Test Scores

The table below shows what your estimated level of AE will be if you submit standardized test scores with your application. Students will be tested during orientation to determine their final AE level placement.

Estimated AE Level	TOEFL iBT	IELTS
2	32-44	3.5-4.0
3	45-59	4.5-5.0
4	60	5.5
5	70	6.0
6	80	6.5

Guaranteed Level

If you score lower on the placement test than your estimated level based on standardized tests, you are guaranteed to be placed no more than one level lower than your estimated level. If you score higher than your estimated level, you will be placed according to your placement test score.

Academic Study Plan Calculator

Our Academic Study Plan Calculator will help you estimate your study plan. Simply add your academic program and English scores and receive an estimated study plan showing your duration of study.

<https://estimateus.intostudy.com>

Key Program Facts

- Each term is 11 weeks
- High school diploma required
- No English language requirement; students assessed and placed upon arrival
- Minimum age 16
- 7 levels of instruction from true beginner to advanced
- 18 hours of instruction per week

Progression Requirements

Must meet academic entry requirements for desired program

International Year One/Undergraduate Transfer Program 4-Term

Completion of AE Level 3 with C/Pass or higher in all classes

International Year One/Undergraduate Transfer Program 3-Term

Completion of AE Level 4 with C/Pass or higher in all classes

Undergraduate Transfer Program 2-Term

Completion of AE Level 5 with C/Pass or higher in all classes

Undergraduate Transfer Program 1-Term

Completion of AE Level 6 with C/Pass or higher in all classes

Graduate Pathway 3-Term

Completion of AE Level 5 with C/Pass or higher in all classes

Graduate Pathway 2-Term

Completion of AE Level 6 with a C+/Pass or higher in all classes

Undergraduate first-year students

Completion of AE Level 5 with C/Pass or higher in all classes

Direct Transfer Undergraduate

Completion of AE Level 6 with C/Pass or higher in all classes

Direct Entry Graduate

Completion of AE Level 6 with B/Pass or higher in all classes. Please verify with the graduate program if AE is considered as an English entry requirement. To find your program's contact, visit gradschool.oregonstate.edu/programs. Application deadlines vary and additional requirements may be needed depending on program.

Start Dates

Fall 2023	Winter 2024	Spring 2024	Summer 2024
Sep 20, 2023	Jan 3, 2024	Mar 27, 2024	Jun 18, 2024

Visiting International Student Program				

Invest in your degree.
Invest in your future.
Invest in you.

With a strong foundation and on-the-job experiences, your education can determine how far you go in your career. Based on your program, you will receive the level of support that corresponds to your academic profile, English language scores and budget.

Whether you're enrolled as an undergraduate first-year student or in our International Year One and Graduate Pathway programs, Undergraduate Transfer Program, Academic English or Master's International Direct programs, you will have access to our Pre-arrival Success Services and airport pickup when you arrive. You can also enjoy continued housing and meal options during university holidays and breaks.

Programs OSU offers four terms per year (Fall, Winter, Spring, Summer). Each term is around 11 weeks or three months long.

Undergraduate Undergraduate programs include undergraduate first-year students (UG first-year), International Year One (IYO) and Undergraduate Transfer Program (UTP)

	UTP	UTP	UG first-year, IYO, UTP	IYO, UTP
Program Length	1 Term	2 Terms	3 Terms	4 Terms
Tuition and Fees	\$14,325	\$28,650	\$37,290	\$44,425

Campus housing

Undergraduate, Graduate and Academic English

Triple suite-style rooms: **\$4,760**/term

On-Campus housing prices includes the following amenities:

- \$950 meal plan per term
- 20% off at all on-campus dining locations
- Housing during breaks and holidays
- Laundry services
- Wi-Fi and all other utilities
- PDX shuttle service for first-time arrival
- Sheets, bedding, pillow and towels
- Welcome bag with snack for your arrival
- Residential, academic and cleaning/maintenance staff
- 24-hour arrival and move-in support

*Housing and meals are based on estimated costs and may vary depending on housing and meal plans selected and personal preference.

¹Based on 12 credits per term ²Based on 9 credits per term ³1-term Graduate Pathway is MBA only

Are you an F-1 student? You will need to provide proof of funding in order to get your I-20. Proof of funding is a way a student shows they have sufficient funds (usually via a recent bank statement) to live and study full-time in the US for up to one academic year. This is different from the cost of attendance OR a statement of account. The proof of funding amount will not be an amount that is billed to you and is solely for immigration purposes. To find out more about proof of finances for immigration purposes, visit www.intostudy.com/en/osu/costs

All prices are estimated from 2022-23 and are subject to change. Please visit www.intostudy.com/en/osu/costs for exact pricing.

What do students get out of campus housing? Enrich your US university experience by living on campus. See page 5.

Scholarships Find out more about scholarships www.intostudy.com/osu/scholarships

Undergraduate programs: International Year One (IYO), Undergraduate Transfer (UTP) and undergraduate first-year students (UG first-year)
Graduate programs: Graduate Pathway (GPW), Master's International Direct (MID) and Direct Entry

Program Group ¹	Scholarship Name		Amount	Duration	Eligibility & Learn More	Tuition	Maximum Scholarship Available	Annual Net Tuition with Scholarship ²
Undergraduate	UG first-year, IYO	Regional Awards	Africa	Up to 4 years (renewable)	•No scholarship application required, qualified applicants automatically awarded with offer •Applicable to undergraduate first-year and International Year One enrollments •Awarding region is based on country of residence •Students on government scholarships or sponsored by an external entity are not eligible for this award •Renewable as long as student remains in good academic standing, maintaining a GPA 2.0+ •Can be combined with Regional Awards for undergraduate first-year and IYO students •Additional regional scholarships may be combined with these awards •Contact your INTO regional staff or OSU representative for more information •View the countries included in each region by emailing international.scholarships@oregonstate.edu	\$12,000	\$12,000	\$25,290
			Europe and Central Asia					
			Latin America			\$37,290	\$10,000	\$27,290
			South Asia					
			Southeast Asia and IndoChina					
			Hong Kong and Macau			\$8,000		\$29,290
			Taiwan					
						\$2,000		\$35,290
	UG first-year, IYO, UTP, Direct Entry Transfer	Provost's Scholarships for Excellence	\$6,000 per year (\$24,000 total)	Up to 4 years (renewable)	•No scholarship application required, qualified applicants automatically considered •Based on academic qualifications •Applicable to undergraduate first-year and International Year One students with minimum GPA 3.5+ (or IB 30+ or A-level two Bs and one C) upon high school or secondary school completion •Applicable to Undergraduate Transfer Program or Direct Entry Transfer students with minimum GPA 3.25+ in undergraduate level coursework •Renewable as long as student remains in good academic standing, maintaining a GPA 3.0+ •Can not be combined with Regional Awards or Regional Scholarships	\$37,290	\$6,000	\$31,290
	UG first-year, IYO, UTP, Direct Entry Transfer	Honors College Scholarship	\$1,500 per year (Up to \$6,000 total)	Up to 4 years (renewable)	•Eligible undergraduate first-year and Direct Entry Transfer students will be invited to apply for the Honors College during the admissions process •Eligible International Year One and Undergraduate Transfer Program students will be invited to apply for the Honors College upon their matriculation to OSU •If offered admission to the Honors College, the scholarship is in place of the additional tuition cost for the Honors College •Students must maintain consecutive enrollment at OSU as a full time degree seeking student in an approved undergraduate program •Renewable as long as student remains in good academic standing with the Honors College •Can be combined with all other scholarships or awards.	\$37,290	\$1,500	Covers 100% of the additional tuition cost for Honors College
	UG first-year, IYO, UTP	Regional Scholarships	\$1,000-\$8,000 per year	One time on the first year/term	•Limited availability: first come, first served •Applicable to undergraduate first-year, International Year One or Undergraduate Transfer Program enrollments •Personal Statement or Scholarship Interview may be required for some regions •Contact your INTO regional staff or OSU representative for more information	\$37,290	\$8,000	\$29,290
Graduate	UG first-year, IYO, UTP	Continued Success Scholarship	\$3,000-\$5,000 per year (\$9,000-\$15,000 total)	Up to 3 years (renewable)	•No application needed, automatically awarded following successful completion of undergraduate first-year, International Year One or Undergraduate Transfer Program and matriculation to OSU if students meet the following eligibility requirements: •Achieve a minimum GPA 3.5 in undergraduate first-year, International Year One or Undergraduate Transfer Program to qualify for \$3,000 per year •Achieve a minimum GPA 3.75 in undergraduate first-year, International Year One or Undergraduate Transfer Program to qualify for \$5,000 per year •Maintain consecutive enrollment at OSU as a full time degree seeking student in an approved undergraduate program •Renewable as long as student remains in good academic standing, maintaining a GPA 3.5+ •Can not be combined with Regional Award or Provost Scholarship for Excellence.	\$37,290	\$5,000	\$32,290
Graduate	GPW, MID	Regional Scholarships	\$1,000-\$7,500 per year	One time on the first year/term	•Application required, please contact international.scholarships@oregonstate.edu to apply •Minimum GPA 3.0+ for consideration •Based on merit and evidence of leadership •Can be combined with all other OSU scholarships except Regional Award	\$33,100	\$7,500	\$25,600 ³
Graduate	GPW, MID	Continued Success Scholarship	\$3,000-\$5,000 per year (\$6,000-\$10,000 total)	Up to 2 years (renewable)	•Successful completion of Graduate Pathway or Master's International Direct and matriculation to OSU •Achieve a minimum GPA 3.5 in all coursework taken during Graduate Pathway or Master's International Direct to qualify for \$3,000 per year •Achieve a minimum GPA 3.75 in all coursework taken during Graduate Pathway or Master's International Direct to qualify for \$5,000 per year •Maintain consecutive enrollment at OSU as a full time degree seeking student in an approved graduate program •Renewable as long as student remains in good academic standing, maintaining a GPA 3.5+ •Can not be combined with graduate tuition remission or OSU assistantships	\$33,100	\$5,000	\$28,100 ³

On-Campus Jobs: As an international student at OSU, you can work up to 20 hours per week in one of the many on-campus jobs in the dining halls, sports facilities, Memorial Union Building and more. Students in Oregon receive at or above minimum wage (approx. \$13-\$15/hour) and typically earn \$8,000-\$12,000 per calendar year. This is a great way to learn valuable employment skills and reduce tuition costs."

All scholarships are subject to change.
Scholarship awards may be lower in value than those published here. Scholarship values presented here are based on achieving the highest award available.
Scholarships are subject to limited availability, deadlines and other terms and conditions. Please check with your INTO regional office or refer to your scholarship letter for more details.
Student on government scholarships or sponsored by an external entity may not be eligible for some of these scholarships.
¹ Program Group relates to the initial program enrolled to qualify for this scholarship.
² Net Tuition is an estimate based on the highest scholarship award applied to the first year of a student's tuition or upon progression.
³ Based on Graduate Non-Business/MBA programs.
