Teacher – Health Sciences

12 months fixed term part time contract (0.4FTE)

Context

INTO establishes long-term joint ventures with some of the UK's leading universities in a unique initiative that improves their competitive position in international markets. INTO Centres deliver pathway courses for international students that lead to undergraduate and postgraduate study. INTO invests in modern teaching and accommodation facilities and has an established global network that recruits students from many cultures. Each Centre is managed by a joint venture management board on which INTO and the partner university are equal shareholders.

Requirements

We wish to recruit a Health Science teacher for our International Foundation Programme in Pharmacy, Health and Life Sciences.

You should ideally possess:

- the ability to support students on the Preparation for Health and Life Sciences module. This module aims to prepare international students to successfully progress onto undergraduate health and life science courses, particularly pharmacy, physiotherapy, occupational therapy, nursing, SLT, medicine and biosciences.
- skills and experience to effectively teach students from a variety of countries and cultural backgrounds, with different language levels;
- skills and experience in coaching students in developing confidence, interpersonal skills and reflective practice;
- experience in facilitating and leading discussion of potentially sensitive topics and issues;
- skills and experience in supporting students in preparing for interviews and university applications;
- a background in a health profession or relevant subject area;
- a relevant teaching qualification and/or teaching experience.

The role will include:

- facilitating discussions through small group seminars and tutorials;
- supporting the module leader in larger class activities;
- providing feedback on student reflections and assessments;
- arranging guest speakers, visits and community engagement activities;
- supporting students in preparing university applications and personal statements;
- writing and editing UCAS references and/or second references;
- coaching students for university interviews for competitive health courses;
- monitoring applications and liaising with multiple stakeholders to provide;
- working with teaching and support staff across modules and the progressions team;
- monitoring and supporting students in finding volunteering and extracurricular experiences

Please refer to the job description for this post for further details on the necessary skills and experience required.

Salary

Band D: £27,838 – £37,665 pro rata per annum, depending on skills, qualifications and experience.

Job description

Teacher

Academic subjects

Context

INTO is an organisation working in partnership with leading British Universities and investing in the development of world-class international student centres. It specialises in preparing students for undergraduate and postgraduate study in the UK. INTO Centres deliver guaranteed progression to leading British undergraduate and postgraduate courses. Each Centre is managed by a joint venture management board on which INTO and the partner university are equal shareholders.

Reporting line

The teacher reports to the relevant programme manager.

Job purpose

To teach (an) academic subject(s) to international students in a range of programmes, including pre-university and undergraduate preparation courses.

Job dimensions

- Ability to teach across a range of programmes varying in intensity and class size. This includes lectures, seminars and tutorials.
- Ability to teach students from a variety of countries and cultural backgrounds, and with different language levels.
- Ability to assess effectiveness of teaching skills against student progress and performance.
- Up to 800 teaching hours per year.
- Will be required to work with key stakeholders across other functional areas of INTO such as marketing, finance, student services. May also be required to liaise with students' parents and other external stakeholders within the partner University.
- Staff taking additional roles (e.g. material production) will have their teaching adjusted accordingly.

Key accountabilities

- Teach (an) academic subject(s) to international students at the INTO Centre. The teaching delivery is across a range of students from pre-university to undergraduate level.
- Make purposeful and appropriate lesson plans that provide for effective teaching strategies and meet the individual needs of students.
- Prepare, select and use teaching-learning materials for international students (including the use of textbooks, in-house materials and self-created materials).
- Assess students and provide both formative and summative evaluations. Design programme tests and assessment tasks as required.
- Provide oral and written feedback to students and other stakeholders (e.g. programme managers, academic schools, marketing staff, sponsors and parents).
- Develop reasonable rules of classroom behaviour and ensure they are consistently applied.

- Provide academic support for international students as appropriate through consultations and tutorials (e.g. advice on language learning, study skills and academic expectations for University study, and where to seek additional academic support and information).
- Carry out administrative and record-keeping tasks associated with teaching and assessment (e.g. student progress reports, test invigilation, mark sheets, attendance and activity records, tutorial logs, advising logs, and UCAS references).
- Contribute to course and module development.
- Provide teaching cover in the absence of other colleagues.
- Participate in the social programme where this is an integral part of the teaching learning programme (e.g. accompanying trips and attending events).
- Participate in and contribute to briefing sessions, student and teacher induction, and orientation and programme functions.
- Act as a positive ambassador for INTO.
- Liaise with the Academic Support Manager to provide all required information in a timely manner.
- Participate in staff development and professional training as required.
- Provide support to all students.
- Attend Centre meetings as required.
- Adhere to the Centre Safeguarding policy, the UK national guidelines and legislation; relating to the care of children and vulnerable young adults studying at INTO UEA. All employees have a responsibility to safeguard and promote the welfare of all of our students regardless of age.
- **Your job title does not define or limit your duties and you may be required to carry out other work within your abilities from time to time at our request.**
- **We reserve the right to introduce changes in line with technological developments which may impact upon your job duties or methods of working.**

Location

INTO University of East Anglia.
